I come from an Information Systems background and have an interest in creative digital design. I work with both technical structure and visual design principles to create solutions that are clear, functional, and visually considered. I am interested in exploring how technology and visual expression can work together in a balanced way.

Educations

Diploma of Information System, UPN “Veteran” Jakarta - Jakarta, Indonesia Aug 2022 - Jan 2026
GPA: 3.76/4.00

Experiences

UI/UX Designer, Heulaulabs - Jakarta, Indonesia Feb 2025 - Jul 2024

- Designed user interfaces for web-based applications by translating user requirements into structured wireframes, user flows, and high-fidelity prototypes.
- Worked with visual hierarchy, typography, and spacing to improve clarity and consistency across screens.
- Collaborated with developers to ensure designs were implemented accurately and responsively.
- Maintained reusable design components and visual guidelines.

Graphic Designer, Malky Joki Store - Jakarta, Indonesia Jan 2023

- Designed digital graphic assets such as social media posts, banners, and promotional visuals.
- Applied layout, typography, and color principles to ensure clear and consistent visual communication.
- Revised and adjusted designs based on feedback and content requirements.

Graphic Designer, Think Store - Bogor, Indonesia Sep 2024

- Created graphic design materials for digital and promotional needs.
- Ensured visual consistency across different design outputs and platforms.
- Adapted designs to various formats and resolutions.

Graphic Designer, Amaliah ASTRA - Jakarta, Indonesia May 2025 - Jun 2025

- Designed visual mockups for the Astra Kurban 2025 event, focusing on the presentation and handover of sacrificial animals.
- Created layout concepts and visual compositions to support clear communication during the event.
- Ensured visual consistency with Astra’s branding and event context.

Organization

Treasurer, HIMA D3 SI UPN “Veteran” Jakarta - Jakarta, Indonesia Jan 2024 - Dec 2024

- Managed financial records and budgeting documentation for organizational programs.
- Supported internal documentation and coordination for committee activities.

Selected Projects

Fund Small Captial, Web Based Application - Project

Jul 2025 - Dec 2025

UI/UX Designer

- Designed end-to-end user interfaces for a web application, focusing on clarity, accessibility, and ease of use.
- Created user flows, wireframes, and high-fidelity prototypes to support smooth user journeys.
- Ensured design alignment with business goals while maintaining a clean and modern visual style.

Museum Bela Negara, Virtual Museum Web Platform - Project

Aug 2024 - Oct 2024

UI/UX Designer

- Designed digital interfaces for a virtual museum experience.
- Structured navigation and content presentation to enhance storytelling and user engagement.
- Balanced modern visual design with historical context.

Levi Camp, Camp Reservation Web Platform - Project

Feb 2024 - Jul 2024

UI/UX Designer

- Designed interfaces for a camp reservation system with a focus on booking clarity.
- Simplified information flow to reduce user confusion during the reservation process.
- Created responsive layouts for desktop and mobile use.
